Eon Chair

Design by Nurus D Lab

Eon Chair

Eon chairs feature a signature back curve; this well configured design specific to product family, along with its integral structure provide an unmatched level of comfort. Eon chairs are ideal for conference rooms, meeting rooms, waiting rooms, classes, restaurants, cafés, and all common areas.

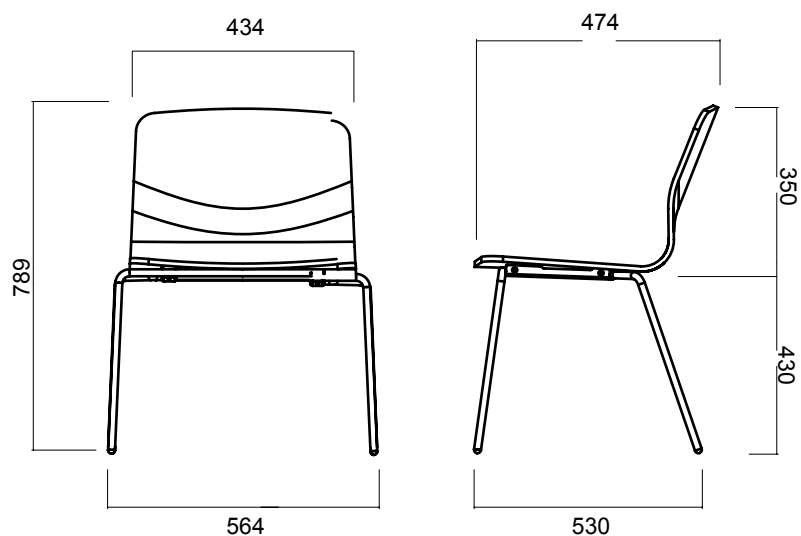

Sledge or 4-leg chair with optional accessories including writing pad, armrest, and basket facilitate multipurpose experience. Upholstered, laminated, and veneered choices seamlessly fit into any space. Leg options include powder painted and chrome plated.

Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.

DIMENSIONS (mm)

Eon Chair

Five Eon chairs can easily be stacked up.*

Dimensions defined in millimetres.

Materials

Legs can be powder painted or chrome plated. Main body choices include natural veneer, recomposed veneer, white laminated options, along with artificial leather or fabric upholstery. Writing pads are manufactured black or white laminated.*

* Please refer to technical document for more information.

Notes

*Stackability only applies to versions without armrest, without writing tray, and without basket.
