Uneo Collection at a Glance

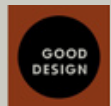

Design by **Martin Ballendat**

The perfect dynamic chair for weighty work.

Uneo is a self-adjusting, high-performance task chair that dynamically responds to your body weight. Its durable frame brilliantly supports posture changes. The 70cm 5-star base diameter helps maintain balance against tipping and encourages safety at work, as well as freedom of movement.

Uneo's high quality and safety standards have been approved internationally by GS Certification from LGA (Landesgewerbeanstalt Bayern) Institute.

Uneo Light Grey

Uneo Black

A black and white portrait of a man, Martin Ballendat, from the chest up. He is wearing a dark, zip-up jacket over a dark t-shirt. He has short, dark hair and is looking slightly to the right of the camera with a neutral expression. The background is a plain, light-colored wall. The name "Martin Ballendat" is overlaid in large, white, sans-serif font across the center of the image.

Martin Ballendat
