## Next Storage

Next creates an efficient work atmosphere with complimentary storage units.

Executive tables, meeting and storage solutions... A collection of products that speak the same language that is lean, innovative and modern design. Solid built with manufacturing precision, Next executive solutions stand for functionality and robustness.

Concealed, secure compartments help you store important documents, are organizational storage units for your workspace and have a surprise effect on guests.

Power connections passed through Next's side cabinets that carry the desktop and it is carried to the desk via the cable cap on the desk. Thus, the mess created by cables is eliminated.

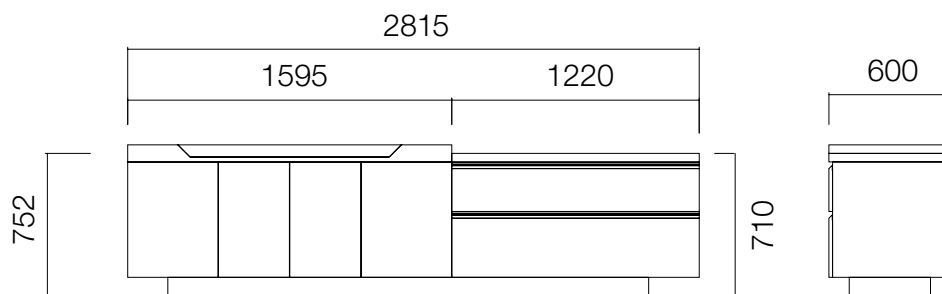

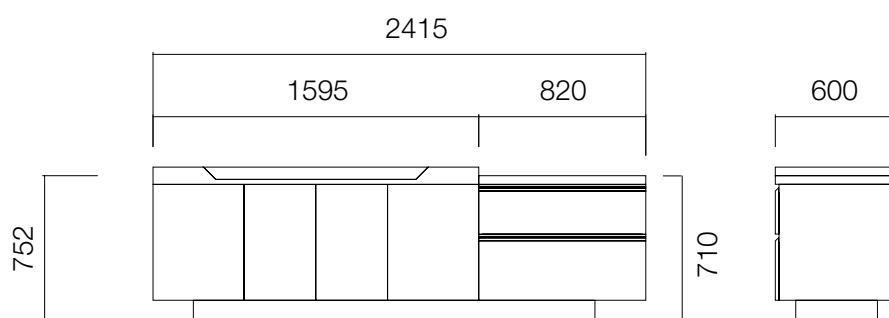

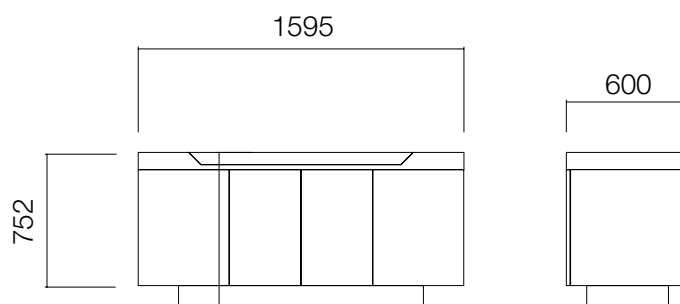

## Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.
