# TO Coffee Table

Design by **Tanju Özelgin**

---

## To Coffee Table

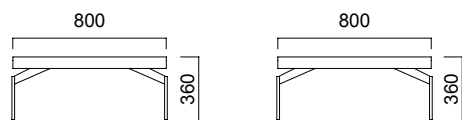

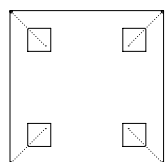

Various sizes of tables, on which you can place your personal items or study tools. You may choose a table with cable cover or notebook table that provides easy use of mobile devices at homes, meeting areas and offices. You can combine To Consoles and Coffee Tables with other Nurus products as much as you can with others from the To line.

## Design by Tanju Özelgin

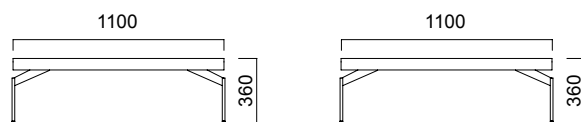

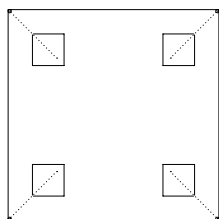

Tanju Özelgin is a 1984 graduate of Marmara University, Faculty of Fine Arts, Industrial Design. He founded Scala Design for exhibition stand, yacht, residence and office projects, a few years later on. Between 93 and 95 he worked with IN Mobilya, as a founding partner. A year later, he co-founded the Bright Red with Ertan Binme for industrial product design, digital video-graphics and interior planning and its applications. Since 2005, TO Design Studio, focuses on interior and industrial product design. Since 1998, he is also a faculty member and a project advisor.
