Lips

Design by **Nurus D Lab**

Lips

Named after its form resembling pair of lips, this collection will help your muscles exercise with minimum effort and supports dynamic sitting. Manufactured using fire resistant materials, Lips collection features a wide variety of colour options to fit into any environment.

Lips collection creates a lively and fun atmosphere in all living spaces from homes to social areas and work spaces. Very light weight makes it easy to carry. In harmony with user's centre of gravity, Lips provides comfort whether it's rocking or not.

Lips feature a balanced structure and carefully defined size while meeting safety standards, and can be utilized by children and adults alike.

Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centred observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.

As cosy and fun as it is comfortable.
