Leaves Collection

Design by **Nurus D Lab**

Inspired by the harmony and elegance of leaves...

Leaves collection fits into various environments including work spaces, social areas, homes, and many others with a simple design inspired by nature.

Designed with inspiration from harmonious and elegant appearance of leaves' coexistence, Leaves collection has single and double varieties, and a double umbrella-holder version.

Leaves collection offers a well-balanced and sturdy structure built on metal framework, and creates a cosy and warm atmosphere with a simple design, and colour variety of its carriers.
