# Corvo Collection

Design by **Noé Duchaufour Lawrance**

---

BERNHARDT | design by **nurus**

## **Craftsmanship combining traditional and modern.**

Corvo, which combines the freedom and multitasking emphasis of the twenty-first century in its simple form, attains perfection with classical wood.

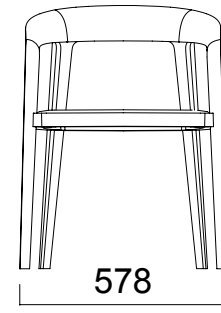

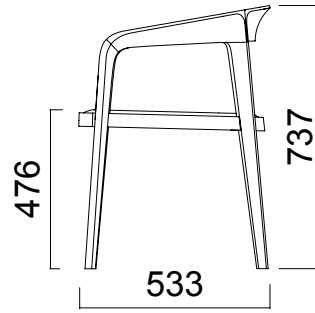

Corvo, which is manufactured using traditional manufacture methods, redefines contemporary by valuing human elements in design and manufacture. Corvo, the combination of structural form and fluidity, offers its user tranquility.
