Claire Collection at a Glance

Design by **Nurus D Lab**

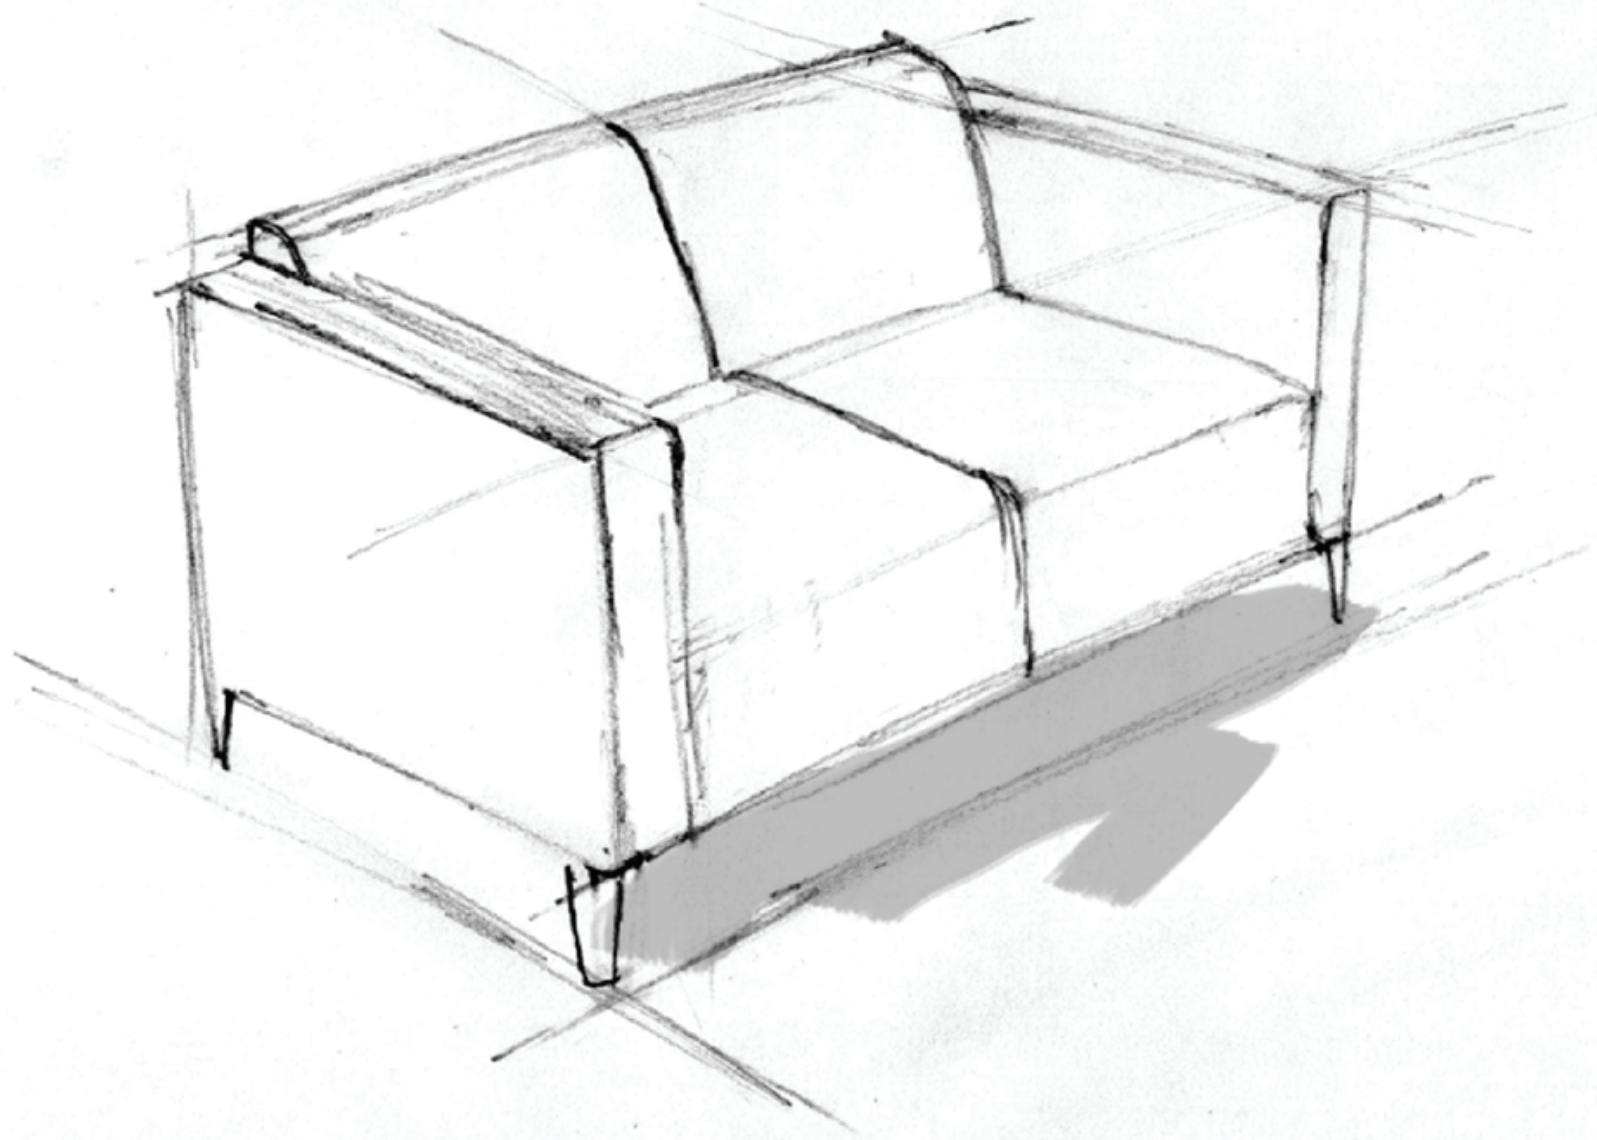

Alluring and comfortable...

Claire features a rich variety of colour and material choices to complement its simple design, and easily blends into all living spaces from homes to executive offices and social areas.

Providing a high level of comfort with measurements to match that of human body and a wide seating surface, Claire adds elegance to comfort with classy metal legs and perfect stitching.

A modern living room interior is shown through a large window at night. The room features a light-colored sofa, a dark wood coffee table, and a floor lamp with a white shade. A colorful abstract painting is visible on the wall to the left. The floor is made of light-colored wood. The word "nurus" is overlaid in the center of the image.
