Greta Sofas

Design by Nurus D Lab

Greta Sofas

Named after the 60s star Greta Garbo, Greta's rich variety of colour and material options seamlessly blend into all living spaces including homes, social areas, hotels, and workspaces.

Greta collection includes single, double, and triple sofas along with long and cylinder back versions, enabling functional configuration of usage spaces of different sizes in accordance with your purposes. Offering a sturdy structure, lightweight, and soft quilted fabric, Greta also creates customizable and functional spaces with shelf version.

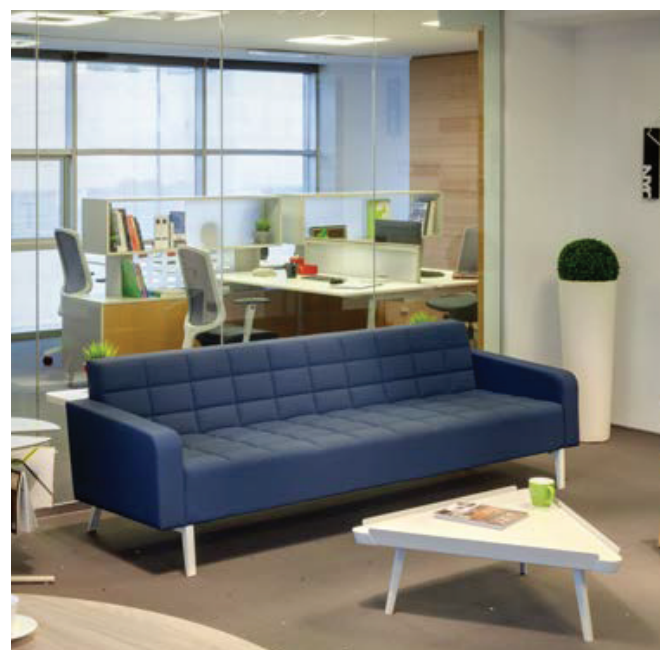

Greta long sofa was designed to extend retro lines of Greta collection into large spaces with many users; this specific piece facilitates effective use of large spaces such as hotel lobbies, workspace entrance halls, and waiting rooms.

You can combine Greta sofas with Edgar coffee tables to deliver full 60s spirit experience to your living space.

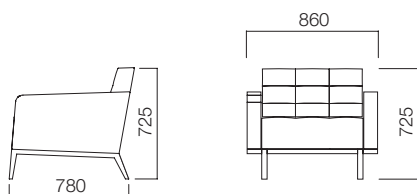

Design by Nurus D Lab

Always up-to-date with science and technology, Nurus D Lab designs products that are ahead of their time. Through human-centred observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D Lab manages it all. Each detail is attended and tested through at the advanced level.

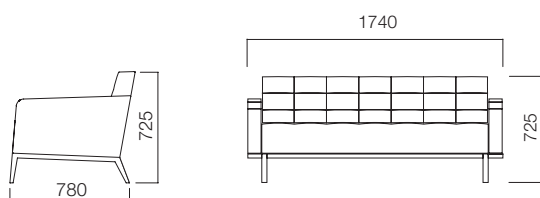

Nostalgic lines giving life to 60s spirit.
