Hi & Lo: Rhythmic and lively...

Hi & Lo introduces new dimensions to living spaces with a wide product range including symmetrical and asymmetrical forms. In addition to rich colour and material choices. Hi & Lo also provides coffee table options to decorate entire spaces in harmony.

Featuring extraordinary lines and dynamic product language, Hi & Lo adds dynamism and liveliness to all living spaces from homes to social areas, waiting rooms and executive offices.

Hi & Lo helps you design spaces in a number of ways with a rich product range, while blending in with architectural features. Coffee tables of Hi & Lo share the same design language, allowing you to decorate spaces as a whole.

Hi & Lo asymmetrical double armchairs offers a practical and comfortable service with coffee table choices that can be mounted on armchairs and move in both directions, while single and double armchairs with asymmetrical armrests do the same with coffee table choices that can be mounted on their wide armrests.

Hi & Lo offers rich colour and material choices bringing rhythm and dynamism to living spaces, while providing comfort with wide seating spaces.
