Juna Collection

Design by **Nurus D Lab**

Spectacular and alluring living spaces.

Elegant and spectacular design of Juna makes it an ideal choice for all living spaces, from homes to executive offices, hotels, waiting rooms and lounges. Delivering home comfort to any living space, Juna seamlessly fits into any interior design with a wide variety of colour and material options.

Characteristic wooden legs and soft cushions of Juna establish comfortable and alluring areas. Helping you reflect on your style and desired effect with rich colour and material options, Juna easily fits into different interior designs and accessories.

Featuring square and rectangle pouffes along with single, double, and triple armchairs and sofas, Juna facilitates harmonious organization in spaces of varying sizes, while providing comfort and convenience.
