# Stone Collection at a Glance

Design by **Ece-Oğuz Yalım**

---

## **An assertive design inspired by nature.**

Stone creates inspiring and eye-catching spaces with a statuesque look and a design to intensify the architectural texture. Facilitating space organization with a wide product family, Stone also provides solutions for work and education areas with technology support.

**Inspired by nature, statuesque,  
and assertive...**

pure,  
energetic  
&  
functional

A close-up, high-angle photograph of a dark brown, modern sofa. The sofa has a clean, minimalist design with visible stitching along the edges. The word "nurus" is overlaid in the center in a bold, white, lowercase sans-serif font. The background shows a light-colored, textured floor and a portion of a dark wall or baseboard.

**nurus**
