Gate Single Desks

Design by **Nurus D Lab**

Gate Single Desks

Gate single desks come in a variety of heights and widths; they can be utilized in all individual workspaces including unit manager offices and home offices, enabling you to organize your workspace to meet your needs.

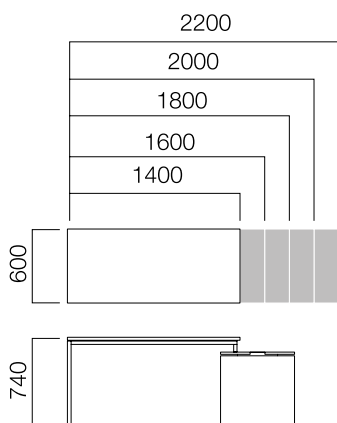

You can opt to utilize Gate single desks featuring platforms with or without cable canals and cable caps; cabinets and accessories for the platform are also optional. You can also utilize front panels with Gate single desks.

Design by Nurus D Lab

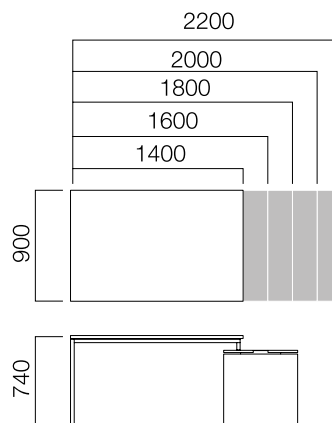

Always up-to-date with science and technology, Nurus D-Lab designs products that are ahead of their time. Through human-centered observation, prototyping and in respect to trending needs and dreams, the team works diligently. Coming up with meaningful and reflective design solutions only marks the start of the process: From strategy to launch and support, D-Lab manages it all. Each detail is attended and tested through at the advanced level.
