Eon Collection at a Glance

Design by **Nurus D Lab**

One chair to rule all.

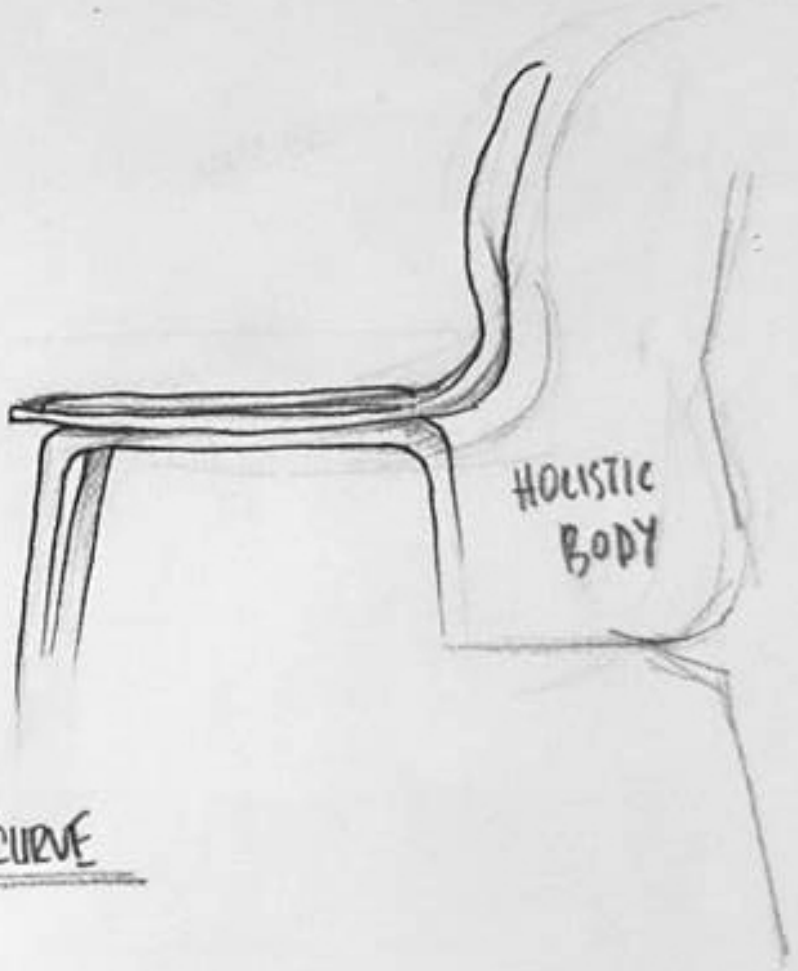

Featuring a non-complex and simple design and offering rich material options, Eon easily fits into different areas. Solid, uni-body wooden seating with a natural back curve delivers the comfort that make you feel home.

Rich colour, leg, accessory, and material choices featured in Eon seamlessly blends into all interior design styles, making it an ideal choice for common areas and public spaces such as cafés, restaurants, and educational institutes.
